RE: Anti-Predatory Lending Database

Dear APLD User,

The State of Illinois Anti-Predatory Lending Database will be modified to incorporate all new HUD-1 and Good Faith Estimate changes pursuant to Regulation X and Regulation Z by the required date of January 1, 2010. Changes will be minimal and in only the required data entry fields reflecting these two forms.

In addition, other changes to the APLD are planned which will result in more efficient operation of the database. These will be implemented in the near future.
